Circular

To,

All the Heads and Managers of the Schools

Subject: Operational Guidelines for development of 'Swachhata Action Plan' in each school under SamagraShiksha – reg.

Sir /Madam,

Dear Principals Global evidence suggests that Water, Sanitation and Hygiene (WASH) in schools has positive impact on learning environment, health & educational outcome for children and recent COVID-19 period has further exaggerated the significance of 'Resilient basic functional WASH Services in schools' As envisaged under SamagraShiksha, 'Swachhata Action Plan (SAP)' provides a ready opportunity to plan, implement and converge action towards sustained improvement of the WASH facilities, provisions and hygiene behaviours in schools. Robust SAP is the first step towards improved WASH services in schools. To achieve the vision of a clean school, SAP, SamagraShiksha, has the following specific integrated features/requirements

- SAP should be based on credible analysis of existing situation, gap assessment
- Convergence with the key departments/schemes/stakeholders at the local level
- 10% of the annual composite school grant under SamagraShiksha has to be spent on SAP priorities
- SAP needs to be integrated in the Annual Implementation plan for education • Progress against SAP be tracked
