MESSAGE

I am pleased to note that the Central Board of Open Schooling & Examination (CBOSE) is celebrating its Foundation Day and advancing its mission of inclusive, flexible and skill-oriented education.

The Board's efforts to integrate open schooling with modern vocational learning are commendable and align well with the vision of the National Education Policy 2020.

CBOSE is contributing meaningfully to expanding access for learners across rural and underserved regions through multilingual resources, digital learning support and affordable academic pathways.

Its commitment to competency-based education and examination reforms reflects a forward-looking approach to national educational development.

I extend my greetings and best wishes to the leadership, faculty, partners and students of **CBOSE**.

May the Board continue to strengthen its contribution to quality education and serve as a catalyst for empowering learners across the country.

With warm regards.

Jagdeep Dhankhar
