Dear Sir/Madam

It is hereby notified that January 2024 marks the commencement of the new academic and administrative cycle for all CBOSE-affiliated institutions. Centres must ensure academic readiness, classroom organization, faculty deployment and publication of the 2024 academic calendar. All teaching and administrative units must resume operations with full discipline and transparency.

Institutions must verify their **Affiliation Status for 2024**, ensuring that documents, infrastructure and faculty qualification records remain updated. Renewal applicants must complete pending formalities within January.

Pre-examination activities—including internal assessment planning, practical file distribution, project allocation and student orientation—must begin immediately. Centres must also verify student records, identity details and subject combinations to prevent data discrepancies.

Institutions must deposit prescribed Board-related fees as per January deadlines and maintain proper receipts for audit purposes. January is the primary **NR (Nominal Roll) Submission Month**, and institutions must ensure error-free data uploads.
