**SUBJECT: AVAILABILITY OF SELF LEARNING MATERIAL (SLM) FOR CLASS X & XII
— REGARDING**

Madam/Sir,

CBOSE has released the complete set of Self Learning Material (SLM) for learners enrolled in Class X & XII for the academic year 2022. These materials have been scientifically developed keeping in mind the principles of Open & Distance Learning (ODL), self-study patterns, competency-based education and the flexibility required by open schooling candidates.

The SLM includes chapter-wise explanations, activities, practice questions and model papers to help learners prepare effectively for their examinations. Institutions are directed to inform all registered learners about the availability of digital SLM on the official website.

It is expected that study centres will guide students on how to use SLM systematically, ensuring that assignments, TMAs and practical-related content is studied in accordance with the CBOSE curriculum.

Copy with a request to respective Heads of Directorates as indicated below to also disseminate the information to all concerned schools under their jurisdiction:
