### NOTIFICATION

#### **SUBJECT: INTRODUCTION OF UNIFIED LEARNER DIGITAL ID (ULDI-2025)**

The Central Board of Open Schooling & Examination (CBOSE) announces the rollout of the **Unified Learner Digital ID (ULDI-2025)**, a revolutionary student identity system designed to integrate all academic activities—admissions, examinations, ODE attempts, assignments, certifications, verifications, and migration—under a single digital identity profile.

The open schooling ecosystem serves lakhs of learners who join and exit the system at flexible intervals. Many re-enter after long academic breaks, appear for improvement exams, or use credit transfer mechanisms. These transitions often create fragmented records. ULDI-2025 resolves this challenge by assigning a lifelong digital identity, ensuring every academic action is automatically linked to the learner’s unified profile.

The ULDI will include biometric verification data, demographic details, subject records, digital certificates, assignment uploads, practical marks, ODE history, and verification logs. Institutions will receive controlled access to relevant sections, reducing paperwork, duplication, and identity fraud.

ULDI-2025 improves accuracy, reduces administrative delays, and strengthens transparency across the Board's governance systems.
