We further submit that students from open schooling backgrounds should receive fair and equitable consideration where they otherwise satisfy the prescribed academic and regulatory standards for nursing education. Recognition of CBOSE qualifications for admission purposes would greatly assist deserving candidates in pursuing professional nursing education and contribute to widening access to skilled healthcare training.

We shall be pleased to furnish any further documents, regulations, curriculum details, examination procedures, specimen certificates, mark sheets, institutional records, or any other information that may be required for your kind examination of this matter. If considered necessary, we would also welcome an opportunity for personal hearing or formal submission before the competent authority.

We shall be grateful for your sympathetic and expeditious consideration of this request.
